

Attendees: Dan Handley(Arm), Shebu, Andrej Butok (NXP), Anton Komlev, Julius(Google), David Brown (Linaro), Kevin Townsend , Kevin Oerton(NXM Labs), Don Harbin (Linaro)

Minutes:

- Dan: AOB items due to lack of attendance
 - Linaro Connect: Schedule announced. Potential informal meet of board/TSC
 - David Brown: Activities on Tuesday.
 - More of a reserved slot for a sync up.
 - **Action: Don** investigate reserving a conference room for a placeholder to Board/TSC reps at Connect.
 - Andrej / Julius don't plan to attend

- Dan: Slack reverted to Free option, use Discord?
 - DavidB: Discord is the trend.
 - Discord makes it more of a project vs just Linaro and Arm on Slack.
 - Discord does cost, but very little
 - Slack loses history as well.
 - **Action: David B/Don** sync up and come up with a plan re: Discord channel
- Pushing Topics to next TSC
 - TF-M Roadmap
 - PSA-Crypto API integration
